

About IndiaSkills:

IndiaSkills Competition is the biggest skill competition in India held every two years exhibiting extraordinary talent from across the country with the support of Government and Industry.

It is aimed to reach to grassroot level and celebrate the power of skills. Several plumbing competitions will be conducted across India and the winners will move forward to the next level of Competitions.

Competitors will stand a chance to compete at the National Level and grab the opportunity to represent India at World Skills Competition 2021 in Shanghai.

Be a Trainer of these competitors, dont miss this chance and register yourself.
